CAM-3DM-624A

3-in-1 Indoor Dome Camera System

Night Owl's CAM-3DM-624A is a 3-in-1 Indoor Dome Camera that is audio enabled and displays hi-resolution images in a 180° range. Suitable for home or office use, the CAM-3DM-624A features easy install with a single cord for three viewing channels, with one audio enabled channel included. The camera has an advanced 600 TVL sensor that provides up to 50 FT of facial recognition. The camera is also equipped for up to 50 FT of night vision in complete darkness. Day or night, the CAM-3DM-624A produces a clear, crisp image.
